Priority School Progress Plan

for Schuyler Community High School

Approved on August 3, 2018

2018-2019 Priority School Progress Plan for Schuyler Community High School

Purpose

Each Priority School under AQuESTT, Nebraska's accountability system for public schools and districts, is required to submit a Progress Plan for approval by the State Board of Education (79-760.07 R.R.S.) The purpose of the Progress Plan is to identify: goals and areas for growth and improvement; measurable indicators of progress; strategies and actions to achieve improvement; associated timelines and resources; and evidence to monitor progress. The Progress Plan will serve as the primary improvement plan for the Priority School and will also be part of the continuous improvement plan for the district in which the Priority School is located (92 NAC 10, Section 009.01B2).

AQuESTT Framework for Support and Intervention for Priority Schools

AQuESTT provides the framework for intervention and support of improvement efforts by Priority Schools. The AQuESTT domains of *Student Success and Access* and *Teaching and Learning* rely on the following AQuESTT tenets to guide schools and districts in achieving a quality education system and ensuring student success:

- Positive Partnerships, Relationships & Student Success
- Transitions
- Educational Opportunities & Access
- College & Career Readiness
- Assessment
- Educator Effectiveness

Within the framework for Priority School interventions, the following indicators of effective schools support the AQuESTT tenets and will guide the identification of improvement areas and assist in determining appropriate actions and strategies for improvement:

- *Clear, Compelling Direction*
- *Student and Staff Culture*
- *Instructional Leadership Capacity*

Goals, actions, and strategies for improvement aligned to one or more of these indicators will form the basis of the Progress Plan for Priority Schools. As such, these indicators will focus the improvement efforts of the Priority School on the domains and tenets of AQuESTT.

Priority School Progress Plan

The Progress Plan for Priority Schools under AQuESTT is intended to identify improvement areas; outline goals, actions, strategies for improvement, and measurable indicators of progress; establish time lines for improvement; identify resources to support improvement efforts; and cite evidence to monitor progress. The Progress Plan will include goals and strategies for improvement for the school and may also include goals and strategies for improvement for the district superintendent and the local board of education. Additional information (e.g., school data, reports, improvement plans, etc.) may accompany the Progress Plan in order to provide rationale(s) for improvement goals and to document progress efforts.

2018-2019 Priority School Progress Plan for Schuyler Community High School

Section 1: School Goals and Improvement Actions

Indicator of an Effective School: Clear, Compelling Direction

Improvement Goal: During the 2018-2019 school year, Schuyler Central High School and all stakeholders (i.e. district administrators school administrators, students, teaching and classified staff, local school board members, parents/guardians, community members) will engage in a systematic, clearly documented, inclusive and comprehensive process to communicate the school purpose and direction through a shared commitment to its vision, mission, beliefs, and core values in order to ensure student success, which includes meeting the cognitive, emotional, social and physical needs of each student as measured by perceptual survey data and artifacts (meeting agendas, data analysis, newsletters, revised vision/mission/values, interviews, etc.).

Rationale for Improvement Goal:

- May 2018 Executive Summary: Diagnostic Review indicated the following recommendation, “Work together with students, staff, parents and community to create and communicate a shared purpose and coherent effort of the core values, beliefs, mission, vision and goals of Schuyler Central High School.”
- January 2018 AdvancED Review indicated the following, “A number of action items are associated with each goal in the strategic plan yet, the goals do not have a measure of success.”

Indicators of Success:

- A sense of mission permeates throughout the school and community.
- Perceptual Survey data indicates all stakeholders engage in a shared purpose for school improvement and the success of all students.
- Artifacts indicate a communicated vision, mission, core beliefs, core values, and implementation of Progress Plan goals and strategies.

2018-2019 Priority School Progress Plan for Schuyler Community High School

Indicator of an Effective School: Student and Staff Culture

Improvement Goal: During the 2018-2019 school year, Schuyler Central High School will establish, implement and communicate a climate of high expectations for teaching and learning while ensuring the academic, emotional and physical safety for students as measured by stakeholder perceptual survey data.

Rationale for Improvement Goal:

- May 2018 Executive Summary: Diagnostic Review indicated the following recommendations
 - “Create a climate of high expectations and communicate an attitude that rigorous learning is not an option; it is required of all students and staff.”
 - “Individual coaching for each teacher would be helpful.”
- January 2018 AdvancED Review rated the following standards as needs improvement:
 - Learners have equitable opportunities to develop skills and achieve the content and learning priorities established by the system.
 - The learning culture promotes creativity, innovation and collaborative problem-solving.
 - Educators implement a curriculum that is based on high expectations and prepares learners for their next levels.
- The January 2018 AdvancED Review noted Improvement Priority #2 as “Develop and Implement an aligned curriculum that includes rigorous academic expectations for all students while promoting creativity and innovation.”
- A Perceptual Needs Survey conducted at Schuyler Central High School indicated that only 40% of the staff agreed or strongly agreed that the instructional program at the school is challenging. Forty-nine percent of the students indicated the work at their school was challenging.

Indicators of Success:

- Rigorous coursework successfully completed by students
- Perceptual survey data completed by parents and students
- Perceptual survey data of increased teacher efficacy for High Probability Strategies and providing and receiving feedback

2018-2019 Priority School Progress Plan for Schuyler Community High School

Indicator of an Effective School: Instructional Leadership (College and Career Readiness)

Improvement Goal: All students will be challenged and supported to achieve a high standard of academic performance and growth and will demonstrate proficiency in globally competitive skills such as critical thinking, innovation, problem solving, communication and collaboration to ensure they are prepared for postsecondary education, careers, etc. as measured by assessment data, certifications, dual credit coursework, graduation rate, etc.

Rationale for Improvement Goal:

- May 2018 Executive Summary: Diagnostic Review indicated the following recommendations:
 - From students, “Go back to having study hall or time we meet with counselors or plan for our future instead of Focus. In other days, we have to play games. It gives us less time to work on homework. Playing games isn’t that fun.”
 - From teachers/staff, “Clear direction on “Focus. Make a plan and use it.
 - From parents, Kids are constantly streaming in and it’s a huge challenge. We have to teach to everyone wherever they are. Subject matter hasn’t changed, but we have to look at how we educate those kids. We have to figure out what their abilities are and where they need to be.”
- January 2018 AdvancED Review rated the following standards as needs improvement:
 - Improvement Priority #1 Evaluate and implement instructional strategies to include differentiation and personalize learning.
 - In a Student Perceptual Survey, 68% of students indicated they spend their time in class listening to their teachers talk.

Indicators of Success:

- % of students meeting or exceeding MAP Growth Goals
- % of students meeting or exceeding MAP Grade Level Norms
- % of students scoring at or above the State Norm on the ACT
- % of students meeting expectations on the ELPA21 assessment
- % of students participating in and scoring a B or higher in dual credit courses
- Identified licensure opportunities

Indicator of an Effective School: Instructional Leadership (Alignment of Curriculum, Instruction and Assessment to Nebraska Standards)

Improvement Goal: By May 2020, students at Schuyler Central High School will have equitable access to a high-quality education to achieve their full potential as a result of universal instruction aligned to Nebraska standards, strong Tier 2 and Tier 3 academic supports as needed and personalized learning opportunities as evidenced by multiple measures to include growth indicators on the MAP assessment, ACT data, perceptual data, etc.

Rationale for Improvement Goal:

- 2017-2018 Graduation Requirements – 40 credits in English; 30 credits in Math and 5 credits in Personal Finance
- 2016-2017 ACT ELA score average at SCHS – 14.7
- 2016-2017 ACT Math score average at SCHS – 16.4
- 2016-2017 ACT Science score average at SCHS – 16.1
- The 2015 Nebraska College and Career Ready Standards for Math Grade Bands changed to Grades 9-11 and “Advanced Topics” which appear at Grade 12. All students are expected to master the K-11 standards, and the NSCAS Math assessment is given at the end of 11th grade. Many colleges and universities require four years of high school mathematics for admission, and some of the content reflected in the Advanced Topics (Grade 12) standards may be recommended for particular majors in postsecondary education. Therefore, students entering postsecondary education are encouraged to take additional math courses that will help them become college and career ready through the Advanced Topic standards.

Indicators of Success:

- Completed Pacing Guides for all Core Courses
- % of students scoring at or above the State norm on the ELA, Math and Science ACT will increase
- % of students meeting or exceeding the ELA, Math, and Science MAP Grade Level Norm will increase
- % of students meeting or exceeding their ELA, Math and Science MAP Growth Goal will increase
